

# Label-Friendly Beverage Innovation

Whatever type of label-friendly beverage you are developing,

you need more than *just* an ingredient supplier to be successful.

You need to partner with Cargill.

Cargill offers a portfolio of label-friendly sweetener and texturizing ingredients for use in beverages.

**ViaTech**<sup>®</sup> Custom Texturizing Systems  
 stevia sweeteners  
**PEA PROTEIN** **Oligo-Fiber**<sup>®</sup>  
**Zerose**<sup>®</sup> erythritol chicory root fiber  
**Pectin** **TREHALOSE** canola lecithin

Partner with Cargill today to bring Label-Friendly Beverage Innovations to life!
